Keep your hands free and still have your smartphone ready to hand. The Artwizz HangOn Case Silicone is not only highly practical, it's also a super-stylish accessory that helps you live your everyday mobile life to the max. With its trendy color combinations, your chic smartphone case and cord stylishly coordinate to round off any outfit. You can easily make the cord longer or shorter, or even remove it or swap it out thanks to the handy and secure bayonet clasp. Smooth silicone on the outside ensures that your new smartphone case is especially grippy in the hand, while the sturdy core on the inside gives you all the stability and protection you need.
