Neoprene case designed specifically for widescreen notebooks with 15.6 displays. It's the ideal solution to safely carry your laptop inside another bag or backpack, without sacrificing elegance and style. Equipped with Anti-Slip System, the system designed by Tucano, consisting of an elastic neoprene band that wraps the notebook protecting it from scratches and preventing the risk of accidental falls after opening the zipper. The construction is characterized by the use of the special flat-lock stitching, normally used for professional suits, which allows to obtain a perfect fit and a very thin structure that perfectly wraps the laptop as a second skin.

Carry on it's own or as a complete protection inside another computer bag

- Completed with the Tucano Anti-Slip System
- Rugged 4mm neoprene construction
- Padded for all-around protection
- Zipper is lined to protect the laptop
- Dual zippers for easy opening
- Perfect finishing with special flat-lock stitching to hold the extra slim effect
