- Ruggedized, high-level thermal camera with 320 x 240 thermal sensor / >15Hz frame rate
- Safeguard buildings, land, borders / find persons, animals
- IP67 Waterproof rating / Long-Range detection / Durable and ease-of-use
- Includes a 300 lumen LED flashlight, rechargeable battery that lasts up to 4 hours, large color display, and durable rubberized casing
- SPECS: 320 x 240 Thermal Sensor, 24° Field of View, > 15 Hz Frame Rate, Fixed-focus Lens, -40F° to 626°F Detection Range, Captures Photos

Highly durable and easy to use, Reveal ShieldPRO combines a high-performance 320 x 240 thermal sensor with intuitive user interface. When you need it, a powerful 300-lumen LED light is available at the touch of a button. RevealShieldPRO was specifically designed for Law Enforcement Professionals. Built with a rugged over-mold housing and IP67 rating, RevealShieldPRO is fit to withstand the elements.

Thermal Imaging helps you safeguard land and borders, quickly clear a room, find discarded evidence at night, and track perpetrators without a flashlight giving your position away. Even the

most elusive suspects can't hide their heat signature.

Detection up to 750 meters / Recognition up to 190 meters / Identity up to 100 meters

,FF' stands for Fast-Frame: the frame-rate of <15Hz makes for a smoother experience when scanning over areas.

- 320 x 240 thermal imaging sensor
- 24 Degrees field of view
- 2,4 inch display / 240 x 320 Display-Resolution / 15Hz per second frame-rate
- Flashlight 300 Lumen bright
- Photos in .jpg saved on the SD-Card
- Temperature of the object shown on display
- Detects and identifies object in Celcius range from -40C to 330C
- Spectral Range: 7.5 - 14 Microns
- Vanadium Oxide Mikrobolometer, Chalcogenide Lens
- Rechargeable Lithium Akku holds up to 3 hours
- Pictures can be downloaded per Micro-USB Kabel or over the MicroSD card
- Micro-USB cable for charging
- Dust and water resistant
- Wrist lanyard included

Box contents: Seek Thermal Reveal ShieldPRO, Micro-USB cable, Lanyard, Nylon holster

Dimensions of Reveal: 11,7cm long x 6,4cm wide x 2,8cm tall / Weight: 185g

Material: PVC / Plastik
