MagicBridge Extended makes your two favorite input devices inseparable.

MagicBridge Extended is a brilliant accessory that turns your Magic Keyboard with Numeric Keypad and Magic Trackpad 2 into a one-piece control surface. Tucked into MagicBridge Extended, your keyboard and trackpad never drift apart so your hand always knows where to go to swipe, pinch or zoom. A one-piece control surface makes it possible to put your feet up on your desk or sit on the sofa and control your Mac from your lap. You can position Magic Trackpad 2 to the right or left of Magic Keyboard and MagicBridge Extended is available in White or Black to complement Silver and Space Gray Magic Keyboards. Make more magic on your Mac.
