- Luxury artificial (vegan) leather pad enhances and protects desk
- Warm textured surface for comfort and precision mousing
- Extra width for extended keyboard and pointing device or mouse

DeskPad is an artificial (vegan) leather desk mat created for Apple fans obsessed with detail. Like edges that match MacBooks corner radius and a textured surface perfected for precision mousing. Even better, DeskPad transforms any hard desk into a comfortable warm cushion for your wrists with extra width for extended keyboards and your favorite pointing device. Dress up your desk and elevate its comfort.

DeskPad. Simple. Elegant. Precision made.

For cleaning: wipe clean with damp cloth.
